The Shuriken (darts) of the Ninja included various projectiles such as dirks, darts and star-shaped discs, all forming part of the art of shurikenjutsu, which was an important part of the Ninja`s armoury. The Shuriken Set (OH1085) contains six forged and tempered darts in a canvas forearm band and the darts are black plated in the Ninja tradition.

Key features:

- Forged and tempered steel
- Well balanced
- Traditional design

Product parameters:
