While our standard .625 Magnum Blowguns are awesome, we decided to raise the bar even higher with our new Professional .625 models. Available in 4-foot and 5-foot lengths, they come with a target style mouthpiece and a 3mm thick barrel.

Yep! That makes them almost twice as thick, and 45% heavier than our standard model and clinches their title of heaviest, commercially made blowguns in the world.

Don't miss your chance to take advantage of the increase in accuracy offered by their great weight and rigidity. Don't miss out in the increased toughness they offer as an impact tool in a self-defense situation. Buy your Professional .625 Blowgun today!

Includes 36 Darts (15 Bamboo Darts, 15 Mini Broadhead Darts, 6 Stun Darts)
