John Connor will one day be the leader of the human resistance in the battle against the machines. Before he can take his place as the commander, he must first survive in a post judgment day world. To make his way through this world he relies on the most basic of tools - his knife. Always with him, Connor uses this blade to simply stay alive, or even take down the occasional machine.

Each knife measures 8" in overall length with a 3.6" 440 stainless steel blade. The handle features black G10 overlays and a leather lanyard wrap. Complete with rigid nylon fiber sheath and a metal collector's box.

Product parameters:

- Total length: 20,3 cm
- Blade length: 9,1 cm
