Emblazoned with the lion, sigil of the Alliance, on its hilt, this shining blade is the issued weapon of the Alliance Royal Guard.

These defenders of a peaceful way of life stand between their King and the oncoming Horde. If the people of Azeroth want to preserve what they hold dear, they're going to need the Royal Guard and their steel. Own your own Orc stopper at 1:1 scale in Polyresin.

The images above are of a pre-production prototype, subject to approval by the Licensor. Each item is painted by hand and variations will occur.

Please note that this prop replica sword is intended for DISPLAY purposes only, on the supplied bracket. It is NOT designed for use as a costume accessory or prop. Please handle carefully as we cannot accept returns that occur as a result of damage from handling.
